

Southeastern Virginia Homeless Coalition
2024 Continuum of Care Supplemental Application
FINAL RANKING ORDER

On July 31, 2024, HUD released the Notice of Funding Opportunity (NOFO) for the Continuum of Care (CoC) Program, including the announcement of \$3.5 billion in funding available for FY2024 CoC Program Competition. HUD requires the CoC to clearly indicate which projects are prioritized for funding utilizing a two-tiered ranking process, except for CoC Planning and UFA costs, with the understanding that projects ranked in the second tier are at risk of not being funded.

The FY2024 Appropriation impacted funding available for CoC Program priorities in the FY2024 NOFO and Competition

- CoCs will have to rank all projects applications in utilizing a two-tiered process, with each tier representing financial thresholds

HUD has established financial thresholds within which CoCs must place projects:

- Tier 1 = 90% of the CoC's Annual Renewal Demand (ARD)
 - Ranking begins with 1
 - Ranking continues through the number of projects it takes to meet this financial threshold
- Tier 2 = The CoC's ARD minus Tier 1, plus the Permanent Housing Bonus
 - Ranking begins with the number after the last number in Tier 1
 - Ranking continues through the number of projects it takes to meet this financial threshold

CoC's Approved Annual Renewal Demand	\$ 4,084,412
CoC's Approved Preliminary Pro Rata Need	\$ 6,312,514
CoC's Approved Planning Amount (Not ranked)	\$ 315,626
CoC's Approved Permanent Housing Bonus	\$ 757,502
CoC's Approved Domestic Violence Bonus	\$ 946,877
Tier 1 Threshold	\$ 3,675,971
Tier 2 Threshold	\$ 1,165,943
Total CoC Threshold (Renewal + PH Bonus)	\$ 4,841,914

The CoC local competition deadline for renewal scorecards was June 28, 2024, by 5:00 PM. The SVHC Program Monitoring Committee convened on July 17, 2024, to assess the performance of each project and determine the preliminary FY2024 SVHC Renewal Project Ranking Order for the Continuum of Care NOFO. The SVHC performance scorecard was completed for all Renewal Projects and presented during the CoC peer review process. The CoC worked to assign each project with a conditional status (either with condition or without condition) and a CoC Score.

The Governing Board convened on September 23, 2024, to hear presentations on renewal and new projects. The Governing Board also assessed the eligibility and ability of the new project applicants to be funded under the CoC or DV Bonus funds. Renewal projects were reviewed using the Exhibit 2 application, Supplemental Application, and CoC Renewal Scorecard. New projects were reviewed using the New Project Application and the New Project Scorecard. Renewal and New Projects were scored with a scoring tool. Governing Board set the final ranking order following the SVHC Ranking Principals.

Following the CoC approved Ranking Principles as outlined in the SVHC Review, Ranking, & Reallocation Policy, the FY2024 SVHC Project Ranking Order was established based on the following principles:

- A. Renewal projects determined to be Eligible without Conditions will be ranked as the top projects from highest scoring to lowest scoring.
- B. Renewal projects determined to be Eligible with Conditions will follow renewal projects Eligible without Conditions from highest scoring to lowest scoring.
- C. New project(s) created through reallocation will maintain the ranking order of the previously funded project
- D. New project(s) will follow renewal projects in the order determined by the Ranking Committee (if multiple new projects exist).
 1. The lowest ranked new project will be ineligible.
 2. New projects determined to be ineligible will not be ranked on the final CoC Consolidated Application or submitted to HUD for funding.

This announcement shall serve as notification of approval for the projects listed below to apply for funding under the FY2024 SVHC Continuum of Care Program Application.
