Ms. Charlotte Maull (757-675-1317) email: queen191@cox.net*

The Quinerly Home for female Veterans is a mission's program run by First Baptist Church Norfolk. Mrs. Vanetta Morgan Quinerly, a member of First Baptist Church of Norfolk, Inc. (a 501-c-3 Non-Profit Organization) upon her death, transferred her house and property to the church via her estate with the provision that the house and additional lot would be used to provide for community needs.

The renovated house will provide five bedrooms, kitchen, bath, and large family activity room for five female veterans. Consistent with the church's mission to serve the military females who have risked their lives in services for this country, this project will not only provide housing, but will also mental health services, employment, and career planning, as well as family and parental training.

Senior Pastor, Dr. Robert G. Murray
